

# Tip 20 - Make responsible decisions

# Product owner

**Whether or not a particular feature is necessary**

# Product owner

**Whether or not a particular feature is necessary**

**Whether it is top priority and should therefore be released in the earliest days of development**

**You can prioritize and/ or reprioritize  
the requirements of the product;  
and of the product features**

# Cons

# Pros

**Your decision should  
be one that benefits  
the business**

**Done**

**Testing**

**Meticulousness**

**You should be able to  
explain your decisions  
at all times**

# Ambassador of product

# In Summary

- **Make responsible decisions**
