Scrum Values

Key Points To Remember

Scrum Values

The scrum values are:

- Commitment - to achieving goals and to supporting each other

- Focus - on the work of the Sprint to make the best possible progress toward these goals

- Openness - The Scrum Team and its stakeholders are open about the work and the challenges

- Respect - Scrum Team members respect each other to be capable, independent people, and are respected as such by the people with whom they work

- Courage - Scrum Team members have the courage to do the right thing, to work on tough problems
