Hey there!

Welcome to your new course! I just wanted to make sure you know how everything works.

What will I get out of this course?

An excellent foundation in Agile Product Management as a Scrum Product Owner and a certificate to prove it!

How do the sections work?

In each section you will be given an overview of a particular aspect of Scrum Product Ownership such as Principles of Product Ownership, the Sprint Lifecycle or an overview of the Scrum framework.

Are there quizzes?

Yes. Each section will have short sharp quiz questions to test your knowledge and make sure you are learning as you go.

At the end of the course there is a link to the official practice assessment to help you connect all the dots and prepare for your PSPO I certification exam.

What if I want an accredited Scrum Product Owner certification?

Finally, at the end of the course I give you recommended links to the recommended certification exam and practice assessment should you want to go further. You will have received an excellent foundation from this course,

So enjoy the course and I will see you along the way!

Paul.
